

Opportunities to Support Afghan Resettlement

The United States Government will welcome over 50,000 Afghans fleeing violence and persecution in their homeland. Catholic Charities of Boston (CCAB), with the generous support of Combined Jewish Philanthropies (CJP), will resettle more than 100 of our Afghan brothers and sisters to Greater Boston. Many will arrive with no possessions and need your help building a new life here in Massachusetts. **Your support will provide the basic necessities to bring security to those who feel most vulnerable.**
